Stephen,

Attached is the revised schedule with the new dates for the site visit and site interviews.

To re-cap, the regulators will travel to the site Tuesday 10/13/2015. Each interview will be done separately on Wednesday 10/14/2015, and the morning of Thursday 10/15/2015. If there are any remaining interviews that need to be conducted, these could be wrapped up the morning of Friday 10/16/2015 before travelling back.

And, the afternoon of Thursday 10/15/2015 will be reserved to meet with the RP representative, Jim Fleer of McKesson Corporation.
